REACH SVHC & RoHS Combined Declaration

REACH Regulation (EC) No. 1907/2006 | RoHS Directives 2011/65/EU and RoHS 2015/863/EU

APEX DYNAMICS, INC. hereby certify our products, including but not limited to, components, semi-finished products, finished products, raw materials and packaging materials meet the requirements of,

- Below threshold of any Substance of Very High Concern (SVHC) regulated by the European Chemicals Agency (ECHA) of the European Union.
- Restriction of the use of certain Hazardous Substances (RoHS) regulated by the European Parliament.

Note:

- The ECHA "Candidate List" will continuously be reviewed for updates. The latest list of SVHC may be found on ECHA website below.
<https://echa.europa.eu/candidate-list-table>
- The RoHS Directive will continuously be reviewed for updates. The latest version may be found on European Commission website below.
https://ec.europa.eu/environment/waste/rohs_eee/index_en.htm

The RoHS Directive will continuously be reviewed for updates. The latest version

APEX DYNAMICS, INC.
